

FABRIC JOURNEY

Article Name: ECO-STRETCH

Company Name: Tessitura Boselli

Country: ITALY

Composition: 75% Newlife™ PES 15% EA

Width: 160

Weight (gr/ml): 170

Company Certification: GRS

Fiber/Yarn: Newlife™

Company Name: Sinterama S.p.a.

Country: ITALY

Composition: 100% Recycled Polyester Newlife™

Product Certification: GRS, Oekotex Standard 100

Company Certification: GRS

Process Detail:

Newlife™ is the result of an High Tech Conversion Model that transforms post-consumer traceable plastic bottles into a high-tech polymer of the greatest quality. This bottles are sourced and processed in Italy into a polymer through a mechanical process, not chemical. Newlife™ achieves incredible savings (compared to a conventional polyester): -94% water consumption -60% energy consumption -32% carbon dioxide emission

Dyeing & Finishing:
