

LINEAPELLE 2017: THE AUTUMN EDITION, SET TO TAKE PLACE FROM 4-6 OCTOBER

LINEAPELLE – EVER EVOLVING. NEXT YEAR'S AUTUMN EDITION WILL TAKE PLACE FROM 4-6 OCTOBER 2017 AT THE FIERAMILANO RHO EXHIBITION CENTRE

New dates

To respond, once more and as promptly as always, to the demands of exhibitors and visitors alike. To offer the international leather market and the fashion industry the most stimulating, concrete trade fair experience possible.

This is why LINEAPELLE has decided upon new dates for its upcoming Autumn edition, dedicated to Winter 2018/2019, which will take place from Wednesday 4 to Friday 6 October 2017, at the Fieramilano Rho exhibition centre.

“This decision”, – said the LINEAPELLE team – “stems from a number of considerations relating to the timing of the finished product fairs, scheduled in Milan for the second half of September, and the desire to avoid overlapping dates. We are also responding to the needs of a market that appears to be postponing its sample choices”.

The latest dates and the next edition

LINEAPELLE, the world's number one exhibition for tanneries, accessories and components manufacturers, fabrics, synthetics and modelists, closed its latest edition (which took place from 20 to 22 September at Fieramilano Rho) in an even stronger international position. Exhibitor numbers grew by 70% (for a total of 1240), and visitors increased by 9%, with attendees from 110 different countries.

The next edition of LINEAPELLE, for Spring/Summer 2018, will take place from 21 to 23 February 2017 at Fieramilano Rho.
