Lineapelle 98 goes beyond all expectations: visitors +2%

LINEAPELLE closes the 98th edition, going beyond the current global forecasts and emergencies, concretely strengthening its international leadership.

Held at Fieramilano Rho from **19 to 21 February 2020**, LINEAPELLE confirms its importance for the global supply chain in the fashion and luxury goods sector by welcoming almost 20,000 visitors, an **increase of 2%** compared to the 2019 editions. A growth evidenced by both Italian and foreign operators. An extraordinary proof of vitality and solidity, which LINEAPELLE expressed despite the absence of Chinese and Far Eastern exhibitors and buyers due to the Coronavirus epidemic.

In addition to the positive attendance, the exhibitors at LINEAPELLE also reported the excellent level of quality of the visitors, the result of the synergy with footwear, Micam, and leather goods, Mipel, with whom LINEAPELLE shared a day of exhibition, Wednesday, February 18.

While LINEAPELLE is archiving the edition dedicated to the summer season 2021, the exhibition *Questione di Pelle* organized by Lineapelle and curated by journalist Mariella Milani, under the artistic direction of Simone Guidarelli, will be open until Saturday 29th February at Spazio Lineapelle in Palazzo Gorani in Milan.
